## VIBE & DETAILS

Dreamy, chaotic, tender-hearted. Ember's match in chaos and Rebecca's accidental muse.

Monica is perpetually late, constantly losing her shoes, and finding brilliant solutions to problems no one knew existed. She is often seen in white floral dresses, clutching a tablet like a shield, her hair a warm, windblown halo. Her debates with Rebecca are legendary – it is the collision of a hurricane with a spreadsheet.

## PRIMARY HEARTMERE ROLE

Thematic essayist for Heartmere Magazine; turns messy feelings into clear, thoughtful texts.

## AFTER HOURS HEARTMERE ROLE

Night-owl porch philosopher, hosting improvised "salons" over tea and sea breeze.
