## VIBE & DETAILS

Precise, disciplined, quietly intense. Brianna's anchor and Monica's sharpest sparring partner. If something on the island works efficiently, it's because of Rebecca. A linguist who treats life like a code to be cracked. Always impeccably dressed, usually monitoring her vitals on a wrist tracker. Many consider her cold, but the observant ones notice how she looks at Monica when she thinks no one is watching.

## PRIMARY HEARTMERE ROLE

Language editor and precision guardian of all written content on the island.

## AFTER HOURS HEARTMERE ROLE

Quiet logistics brain; optimises schedules, training plans and even pillow inventory when no one is looking.
